

Sell it! Worksheet

This is a template you can use to write effective sales copy for products or services.

Title (Keep it simple and self-explanatory with a clear purpose of what it is and why it will help.)

Dream Ventures: Prophetic Profits Through the Business of Your Dreams

Short description of the problem it solves and the ultimate result of your product.

Do you want to launch or grow your business? Are you lacking a cohesive plan to get your business off the ground? Dream Ventures combines sound business strategy with prophetic insight to help you get on course with your entrepreneurial destiny. (Ultimate result) You'll have a step by step plan to follow which will maximize your growth rate and allow you to focus on the things that really matter.

Benefits. Bullet points are awesome!

Through the Dream Ventures course, you'll

- uncover the areas where you are most gifted and use them to full effect in business*
- recognize and ditch the mindsets and attitudes that hold you back*
- rewire your mind into working for you and not against you*
- learn how to be effective with goal setting, and set the "right kinds" of goals*
- learn how easy marketing can be, especially if you don't like sales, or sleazy techniques*
- adopt new time management and productivity tricks, and recognize time wasting rabbit trails*
- have a plan for a balanced lifestyle that incorporates rest, family time, and time for other things you are called to do.*

The elements/features. What exactly are they getting?

- 1 assignment per week in an order that is designed to grow your business step by step*
- 1 weekly group coaching call*
- access to a prophetic community of like-minded business people*

- Audio recordings of coaching calls
- Private forum for questions/discussion with the group

Pricing

\$60 per month for 6 months
